## WORK HISTORY

**Titan America - Project Manager, PMO**  
Deerfield Beach, USA • 12/2022 - Current

- Delivered over 35 cross-functional projects on time and under budget, directly contributing to \$10M in logistics cost savings.
- Spearheaded the implementation of MercuryGate's TMS across five product lines, improving shipment visibility and regulatory tracking.
- Applied risk mitigation strategies to prevent operational disruptions, integrating preventive controls into logistics and supply chain workflows.
- Conducted vendor performance analysis and initiated corrective actions, decreasing contract-related loss and improving accountability.
- Collaborated with compliance teams to ensure DOT and OSHA standards were met in transportation and facility operations.
- Developed inventory planning protocols integrated with automated replenishment, reducing stockouts and increasing service reliability.
- Designed executive-level reporting dashboards using Domo to visualize risk trends and project KPIs.

**Commercial Logistics - Logistics Coordinator**  
03/2016 - 12/2022

- Managed real-time inventory planning and load routing for 60+ daily shipments, ensuring delivery compliance and on-time performance.
- Handled 90+ inbound customer service calls per day, resolving delivery and compliance issues with professionalism.
- Collaborated with carriers and vendors to ensure resolution of freight claims, late shipments, and billing discrepancies.

**Retail Account Liaison**  
06/2015 - 03/2016

- Coordinated all Home Depot and Lowe's shipments across Florida,

- Scope management
- Business analysis
- Project planning
- Budgeting and forecasting
- Compliance monitoring

organizing up to 50 outbound orders per day.

- Maintained 96%+ performance on vendor scorecards through timely communication, compliance, and delivery accuracy.
- Utilized SAP to generate sales orders and manage outbound shipments with full audit trail compliance.
- Partnered with national vendors for direct ship fulfillment, ensuring end-to-end documentation aligned with contract terms.

#### **Horner Xpress - Operations Director**

*Fort Lauderdale, USA • 01/2012 - 06/2015*

- Oversaw production and logistics for 8 chemical product lines, maintaining 99.99% batch quality pass rate and repeatability.
- Led all safety and compliance efforts, including hazardous materials handling and OSHA-required reporting.
- Implemented operational audits and preventive actions to reduce safety risks and improve regulatory alignment.

#### **Lowe's Home Improvement - Operations Manager**

*Sunrise, USA • 03/2007 - 01/2012*

- Managed daily operations and project oversight for a 100+ associate team across fulfillment, inventory, and customer service.
- Developed SOPs and loss prevention strategies that reduced inventory shrink by 5%.
- Designed tracking systems for outbound shipments and export compliance, ensuring documentation accuracy and timely delivery.

#### **Nailite International - Manufacturing Production Supervisor**

*Miami, FL • 07/2004 - 03/2007*

#### **Georgia-Pacific - Manufacturing Production Supervisor**

*Rincon, GA • 08/2001 - 08/2002*

#### **Motorola - Manufacturing Production Supervisor**

*Plantation, FL • 05/1996 - 08/2001*
